## Revisions

Nov-16	Driveways – Extensions Added and Illustration
Mar-17	GEO Thermal Heating/Cooling System – New Guideline
Mar-17	Trash Enclosure – material, bush/tree not allowed for screening, fence screening allowed
Apr-17	House numbers – no application required if same style, size & color as builder numbers.
Apr-17	Mailboxes – House/unit numbers on a curbside mailbox are encouraged.
Aug-17	Windows – On same elevation should be same type, material, color & detailing. Specialty windows such as encasement will be considered on a case by case basis.
Mar-18	Entire Landscaping Guidelines Revised Deck Over product added to design guidelines
Jul-18	Shed size for lot size revised. Foundation base requires application. Fences sufficient for screening sheds. Setback for sheds.
Jul-18	Mulch in front or rear yard of townhouse properties does not require an application. Any border for vegetable gardens higher than 10” requires an application.
Sept-18	Probable & fixed basketball goals do not require an application as long as certain requirements are met.
Sept-18	Outer corners of townhouse decks can be cut off at a 45-degree angle approximately 2’ x 2’ in size.
April-19	Spotlights will not be allowed as replacement fixtures at front entry or garage doors. No glare should impact neighboring properties.
Sept-19	Security Devices updated for Ring doorbells – no application required unless it includes additional cameras or security lighting then an application is required.
Sept-19	Fence Design Guidelines updated to include metal fences.
Sept-19	Metal Fence Styles and Specifications created.
Feb-20	Deck stairs & landings – resident must conform to Virginia Residential Building Code
Feb-20	Patio stairs – resident must conform to Virginia Residential Building Code
Mar -20	Allow bat houses & butterfly houses – no application required if all dimensions are less than 24”
Aug-20	Allow Solar Panels to be installed anywhere on the roof to capture the best sun location.
Sept-20	Courtyard homes with side yard patios are allowed to install a spa/hot tub
Oct-20	Entire deck guidelines revised to read clearer. Townhouse ground-level decks can be built to rear property line. If no fence exists between townhouses, the ground-level deck must have a 1’ setback from the side property line. If there is a fence, then installing up to the side property lines is allowed. Black metal balusters are allowed for townhouse railings. No privacy screening is allowed on the rear of the ground-level deck.
Nov-20	Entire sign guidelines revised to read clearer. Political signs/flags updated for the number allowed on a lot, size, location and profanity language or graphics shall not be displayed on any lot.
Jul-21	Entire shed guidelines were reviewed and updated for shed base, free-standing sheds, and sheds attached to the house.
Feb-22	Landscaping guidelines updated for rock and stone ground covering to install a border for containment.
Feb-22	Door guidelines updated for storm door and entry door hardware to be the same color and finish. Storm doors must be finished in the same or complementary color as the entry door they enclose or the surrounding trim.

## Revisions

April-22	Fence guidelines updated for fence gate section 202 to be a minimum of 52” wide for Broadlands lawn service to get mowers into rear yard
April-22	All white or all black railings are allowed for townhouses.
Aug-22	Updated play equipment guidelines to include tree houses and elevated playhouses.
Sept-22	Updated sign design guidelines to allow small “No dog pooping” & “No Trespassing” signs. Not to exceed 64 sq. inches. No application required.
Dec-22	The word “and” is taken out of a sentence to read clearer. <i>“In attached housing, the storage shed must be located against the rear wall <del>and/or</del> privacy fence and should not extend above the wall or fence.”</i>
Dec-22	Roofing guidelines tightened up to maintain uniformity among attached housing. This is to keep consistency of roof color along the entire townhouse row and attached homes in Overland Park. All attached houses are required to submit an application for all roof replacement projects.
Mar-23	Updated play equipment to allow only one swing in front yard properties. If conditions are met then an application is not required. Otherwise, an application is required. Also included type of play equipment allowed/not allowed in front yards.
Aug-23	Updated design guidelines: Additions & Alterations (Major), Antennas Satellite Dishes, Basketball Goals & Courts, Color Changes, Compost Bins, Doghouses & Runs, Driveways, Fences, Firewood, Flags/Flagpoles, Landscaping, Solar Collectors. <b>The following were reviewed, with no changes: Air Conditioners/Heat Pumps, Artwork, Attic Ventilators, Awnings, Chimneys Flues</b>
Sept-23	Updated design guidelines: Gazebos, GEO Thermal Heating-Cooling System, Gutters & Downspouts, Lighting, Mailboxes. <b>House Numbers were reviewed, with no changes.</b>
Oct-23	Updated design guidelines: Patios, Play Equipment, Porches, Sidewalks/Walkways, Siding, Signs. <b>Roofing was reviewed, with no changes.</b>
Nov-23	Updated design guidelines: Doors, Rain Barrels, Security Devices, Shutters, Skylights, Swimming Pools, Trash/Recycling Enclosures, Tree Removal, Spa & Hot Tubs, Trellis, Windows. <b>Storage Sheds were reviewed, with no changes.</b>
Mar-24	Updated Trash and Recycling Bin Enclosures: The measurement of 4’ in depth was added to trash enclosures.
Jun-24	Updated deck guidelines to allow white paint & solid white stain using a pure white color.
Jun-24	Landscaping guidelines: High quality artificial turf should be used for front yard townhouses. Turf should be used in limited areas along with natural landscaping in other portions of the front yard.
Jun-24	Lighting guidelines: Higher intensity security lights/spotlight over 1000 lumens will be considered only where they are not in close proximity to neighboring properties or front roadways.
Aug-24	Added metal puppy fence style to fence design guidelines.
