

A Message from Supervisor Sylvia Glass - March 19, 2026

2026 Virginia Department of Transportation (VDOT) Repaving Plan

VDOT has released its list of streets that will be resurfaced in 2026, which includes several Broadlands streets. The exact dates for the road work are unknown at this time, as they are dependent on weather and contractor schedules, but projects typically begin in April and are completed by October.

Not all Broadlands streets will be repaved at the exact same time; work will occur on a rolling basis over several weeks. If you need to drive during that time, you may need to park your vehicle on a neighboring street that is not being repaved while your street undergoes repaving, which may be a day or two, depending on its length. Signs will be posted a few days before work begins to notify residents, and all repaving will take place during daytime hours.

On neighborhood connector roads, such as Chickacoan Trail Drive and Vestals Gap Drive, drivers will still be permitted to travel through, but must follow all directions from road crews. All drivers should use caution when traveling through active work zones. VDOT's repaving map can be viewed at VirginiaRoads.org/maps/4f18292efb124590ac3139887ab1e752.

The following Broadlands public streets are scheduled to be repaved:

Arbor Glen Court, Autumn Harvest Court, Avens Court, Awbrey Place, Bluestone Court, Cattail Meadows Place, Cedar Springs Court, Chickacoan Trail Drive, Ellzey Drive, Fernbrook Court, Gatehouse Way, Gentle Heights Court, Golden Autumn Place, Goodwin Court, Hearthstone Court, Hidden Pond Place, Lefevre Inn Drive, Marsh Creek Drive, Meadow Field Court, Meander Crossing Court, Midsummer Way, Moss Landing Court, Oatyer Court, Old Wood Way, Reynwood Place, Riverstone Court, Schoolhouse Court, Small Branch Place, Songbird Court, Spring Morning Court, Springwell Drive, Thornhill Place, Tithables Circle, Vestry Court, Vestals Gap Drive, White Post Way, and Woodspice Court.

New “No Parking” Signs Along Demott Drive

I am excited to announce that at my request and the request of the Broadlands HOA Board, VDOT has installed new “No Parking” signs along the [right turn lane of northbound Demott Drive near the Wetlands Preservation Area](#). These signs are intended to discourage trucks from parking in this location to improve visibility at the existing crosswalk. I appreciate the Broadlands HOA for bringing this concern to my attention and helping move this solution forward. If you observe trucks continuing to park in this area, please contact the Loudoun County Sheriff's Office non-emergency number at 703-777-1021.

Please contact the Broad Run office if you have any questions or comments by visiting my webpage at Loudoun.gov/BroadRun, by calling the office at 703-771-5088, or emailing me at Sylvia.Glass@Loudoun.gov.
